

Ritter/Midmark M11-001 Autoclave - Refurbished

Stock Photo – Options May Vary

The Ritter/Midmark M11 Ultraclave Autoclave is one of the best-selling tabletop automatic/electronic autoclaves in the industry. The M11 features a 11” diameter chamber with automatic venting.

The Midmark/Ritter M11 offers easy, effective sterilization. It couldn't be easier to use because it lets you load it, set it and forget it. Select your cycle and the time is set for you. Press “start” and the M11 fills with the correct amount of water. Once the process is complete, the door opens automatically to dissipate steam and give you the fastest drying time possible.

The Midmark/Ritter M11 Ultraclave Autoclave comes completely refurbished with a comprehensive warranty and includes trays.
