

Skytron 3500 Slide-Top Operating Table - Refurbished

Stock Photo – Options May Vary

The Skytron 3500 Slide-Top surgical table is a multi-purpose operating table that features the ability to perform full body imaging. This table is a great choice for vascular, neuro, urology and orthopedics.

The 3500 slide-top features include: a wired hand control, 21" top slide capability, electro-hydraulic break, C-Arm compatibility, and return-to-level.

Additional functions include: \pm back, \pm leg, \pm height, \pm tilt, trend/rev trend, and comes with North American side rails which fit most accessories.

The Skytron 3500 slide-top comes completely refurbished with a comprehensive warranty and a new pad set.
