

Luvis S300 LED Dual Surgical Light - New

Stock Photo – Options May Vary

The Luvis S300 LED Surgical Light is an ultra-modern, full featured surgical light. The S300 boasts energy efficient operation, high lux output (130,000) and the modern features you would expect from a surgical light in today's OR environment.

The pattern can be adjusted from 5.9" to 9.85" using a touch pad on the light head controller. The Luvis Surgical Light also features a light head mounted control panel that can be synchronized together (dual config) for easy adjustment during surgery using an optional Android tablet.

The Luvis S300 surgical light can come in a single, dual or mobile configuration and includes a 2-year mfg. warranty.
