NC12C16-ST2

MEDIUM NARCOTICS CABINET

with Double Locking Outer Door

Construction:

- Heavy duty 20 gauge steel

Features:

- Two high security pick-resistant tubular locks
- Locks keyed separately, w/four keys per lock included
- Unique lock sequences— all cabinets keyed differently
- One adjustable and/or removable shelf with the choice of five locations
- Full length stainless steel pinned door hinges prevent pin removal
- Predrilled holes in the back for mounting on a wall, cabinet or other solid surface (wall mount hardware included)
- Narcotics cabinet is delivered ready to use (door handle must be customer installed)
- Durable heat sealed powder coat finish

Contents not included.

Shown in gloss beige (default color). More than 20 additional colors are available.

This cabinet is compliant with DEA guidelines for the secure storage of Schedule III, IV, and V controlled substances when a separate outer door is also used, such as inside a drawer or cabinet within a locked office or in a locked refrigerator/freezer within a locked office. Because this narcotics cabinet does not have both an inner and outer door, it is not recommended for the storage of Schedule I and II controlled substances unless additional criteria is met. Please consult current DEA guidelines for details.

One lock and key set includes a black identifier

Keys with black tips must be used in locks with black ring. Putting the wrong key in a lock will disable the lock and require the lock to be replaced.

Engineered & Manufactured in the U.S.

Assembled Cart Dimensions:

- 12" H x 16" W x 8" D (30.5 cm H x 40.6 cm W x 20.4 cm D)
