

**Integrated Audio
and Visual alarm
that alerts when open**

NC24C16-DT2-AVD

MEDIUM NARCOTICS CABINET W/ALARM

with Locking Outer Door & Locking Inner Door

Construction:

- Heavy duty 20 gauge steel

Features:

- Cabinet has integrated Audio and Visual alarm to alert personnel when open
- Battery-powered using standard 9 volt; battery in quick-change holder
- Does not need to be hard-wired to electrical power - can be mounted anywhere
- Dual inner door and outer door construction with two high security pick-resistant tubular locks
- Four keys per lock included
- Unique lock sequences- all cabinets are keyed differently
- Full length stainless steel pinned door hinges prevent pin removal
- Two adjustable/removable shelves with multiple mounting locations
- Predrilled holes in the back for mounting on a wall, cabinet or other solid surface (wall mounting hardware included)
- Narcotics cabinet is delivered ready to use
- Durable heat sealed powder coat finish

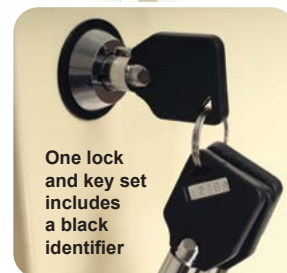

This narcotics cabinet fully meets DEA guidelines for the secure storage of Schedule I and II controlled substances provided that the cabinet is bolted to a wall, floor or other solid, non-mobile surface and provided that other guidelines are followed.

Engineered & Manufactured in the U.S.

Keys with black tips must be used in locks with black ring. Putting the wrong key in a lock will disable the lock and require the lock to be replaced.

One lock and key set includes a black identifier

Shown in gloss beige (default color). More than 20 additional colors are available.

Harloff offers many different narcotic cabinets to help you keep both your controlled substances and your business secure including wood look cabinets, slim profile boxes and cabinets with audio/visual alarms.
